FEATURED BENEFITS

- The ultimate putting surface, Nylon Putt is designed for a higher level of play. Texturized yarns enhance performance and provides an excellent playing surface that is durable, resilient, and has a multidirectional surface.
- For golf greens, it offers the truest surface, whether for practicing or competitions, thus making it ideal for golf courses and private clubs alike – varying the amount of infill, the speed and spin are adjustable to the client's play specifications.
- Suitable for sports clubs, schools, patios, balconys, rooftops, campgrounds and community sports centers.
- Can be installed indoors and outdoors.
- UV Stabilized
- Drains from the top
- No maintenance
